

WYOMING AREA NEWS

A service of the Wyoming Lions Club

SCAM AGAIN!!!!

You get the call from your grandchild. They have been in an accident and need money right now to get out of jail. It sounds like them, but they had facial injuries. You are given explicit instructions as to how to package the cash – half in each envelope, place the envelopes in a magazine, put it all in an envelope – and the address to send the funds by Fed-Ex.

Most importantly – DON'T TELL ANYONE!!!

Why do we bring this up again? Because it happened again this week. \$9,500. Thank Heavens, Fed-Ex smelled a rat and opened the package before it was sent off to Philadelphia to never be seen again. Remember, it just happened here within the past year.

Your not asking and not telling is the best thing these con-men have going for them. Ask first and check on the whereabouts of your friend or family member. If you don't, the bad guys win.
