Hwy 136 project – sewer repairs in Oxford Junction continue. Detour signs are up and in effect. Traffic is restricted in town. You can get there, but getting around is a problem.

Sports news - Last year, 11-year-old Jackson Roney clobbered a home run over the center field fence and hit the porta potty. This season, his third home run took out the opposing coach's windshield. His father, being a nice guy, gave the coach \$50 for half the deductible. He now has 7 more home runs, none of which have caused any further property damage. The last two came Tuesday night. Good job, Jack. Grandpa Jim.
