Christmas Lights will go on Wednesday, November 23rd. We try to have them on by 4:45 pm and they are on until about 10:00 pm on Monday, Wednesday, Thursday, and Sunday. On Tuesday, Friday, and Saturday they are on until about 11:00 pm. The reason for the 3 later times is for basketball teams and fans from other towns passing through, returning home to see them.

Thanks to Mrs. Ruley and the Midland 6th grade classes who came to explore, discover, and learn at the Museum last week. Teams had to identify what various items were used for. Everyone went home with a fresh-shelled corn cob. Museum volunteers had a great time showing the Museum.

You may have heard last week about a one day major national effort to collect old or unused prescription medicines. **Nightingale Drug has this service available each day they are open.** Old or unused meds can be disposed of safely and free of charge. There is a drop vault in the store to place them. Please, no batteries or illicit drugs.
