We missed reporting in the last issue the damage done by the storm on April 7th. Lots of trees and sheet metal damage east of Dollar General. From there west, little or no damage. At the Fairgrounds, the horse entry building was tumbled out across the field. With the major electrical work planned for this spring, the building was going to be moved. The electrical improvements will include a well-lighted arena.

FIRE SAFETY INFORMATIONS AND FREE SMOKE ALARM

Midland 5th Grade Students of Mrs. Pam Lehrman have been researching smoke alarms and fire safety due to the house fire in Onslow last fall. The students have written letters as part of a public safety campaign. They have been in contact with the Red Cross. The local fire departments have agreed to participate in the Red Cross' "Sound the Alarm Program". Please see the attached for more information and how to get a free smoke alarm installed in your home.

We need your stories, ideas, birthdays, anniversaries, honors, accomplishments. We'll help you write or rewrite. We don't have a reporting staff to gather the information, so you are our reporters. This is required so contact can be made to clarify or certify some part of the information that was submitted. If you have news to submit, please do so by 10 a.m. on the second and fourth Tuesday of each month. Thirty words or less. Please feel free to make a copy of this newsletter to share with your friends or neighbors who do not have email.
