Hello everyone,

The summer of 2022 has arrived and we have several things going on in the Monticello Community School District over the summer. Summer Panther Academy will be starting the week after school gets out. Due to the increase in requests for students to be a part of Summer Panther Academy, we saw a need to expand our program. After several months of working on the approval process with the state, I am very happy to share that we will be expanding the Panther Academy Program to offer Panther Academy at both Shannon Elementary and Carpenter Elementary this summer. Offering Panther Academy at two sites allows us to take every student into our program and eliminate our waiting list. Summer Panther Academy is packed full of summer activities for our kids. They have several day trips planned and you can bring your child daily or only a few days a week.

Drivers Education will start right away in June. This should be completed around the first week of July. Drivers Education will be a little different this summer. The coursework will be completed online and the driving will be in person. High School Summer School will begin right away next week. We will be calling you when school ends if your student has failed a course and needs credit recovery. K-8 Summer School (August Academy) is scheduled to begin, and run, for two weeks in August. It will be a "kick start" program which will help our students get ready for the upcoming school year. We have sent out letters already to those families that have a student that qualifies. If you have a student that needs summer school, please contact your school office.

What are some things you can do this summer to help your child continue to advance academically? Read, Read, Read...reading is a key to success academically in school so practice reading....A LOT! If your child is younger, read aloud. Read part of the page and let them finish. They will really enjoy reading to you, and you will be surprised how much they will improve if you do that everyday. If your child is older, work out some rewards for reading books during the summer. Set some goals and find something that will motivate them. Ice cream is a great reward, but so is having some one-on-one time with mom or dad. Playing games or just hanging out with them as a reward can also be a great motivator. Just be creative and keep them interested.

I hope you all have a wonderful start to your summer!!! As always, if you have any questions please feel free to send me an email or give me a call anytime. Thank you for your continued support of the Monticello Community School District.

Sincerely,

Brian Jaeger, Superintendent

*The **MISSION** of the Monticello Community Schools, a district striving for educational excellence, is to prepare students through challenging experiences, to be caring, productive, creative citizens, who will be life-long learners.*

Silver Service Cord

High School students, summer is a great time to get started on earning your Silver Service hours.

The goal of the Silver Service Cord is to recognize students who have contributed to their community or school by volunteering their time and talents. An increasing number of scholarship applications require applicants to list service and experiences. Volunteer time often leads to employment and future educational opportunities as well as enabling students to understand the connection between school, work, and community. Interested MHS students must complete 300 hours of service during four years of high school starting with the summer after eighth grade, to receive the Silver Service Honor cord on Senior Honors night. For more information visit our website: <http://www.monticello.k12.ia.us/silver-service/>

PTO NEWS...The PTO is wrapping up another successful year! Thank you for all of the volunteers and support through fundraising. Our walk-a-thon was a huge success bringing in just under \$8,000 to go towards Character Strong books and classroom libraries.

At our last meeting we voted in the new officers for the 2022-2023 school year. They are as follows:

Ashley Christensen- President, Rochelle Kray- Vice President, Jean Kehoe- Treasurer, Anne Babbe- Secretary. Congratulations to all!

School Supply Lists for the 2022-23 School Year

If you need an elementary or middle school supply list for next year, they will be available on our website at www.monticello.k12.ia.us or at the district office in the near future!

Just a reminder, if you have any outstanding fees or a negative lunch account, please have them paid soon. Checks can be mailed to your school, dropped off, or you can pay online: <https://monticello.revtrak.net/> or by calling the district office at 319- 465-3000, option 1. We accept credit, debit, or e-check when you pay online or over the phone. Our fiscal year ends June 30, 2022. Thank you!

Parents of next year's Seniors:

Summer is a great time to take senior portraits!

Senior and baby pictures for the yearbook are due **before winter break of senior year**. Plan to take photos over the summer and have one thing crossed off the senior to-do list! A free option is available for a yearbook photo on Halverson's school picture day in the fall also. Guidelines are listed below:

GUIDELINES FOR SENIOR PHOTOS FOR YEARBOOK

- head and shoulders only
- vertical format
- clothing should conform to school dress code
- no inappropriate poses
- no other people, animals, objects/props in photograph
- no sunglasses
- color or B/W are acceptable
- submit digitally or write name on back if submitting a hard copy.
- must be received by deadline (before winter break of senior year)

Annual Notice-Reporting Child Abuse (Board Policy #403.0)

In compliance with state law and to provide protection to victims of child abuse, incidents of alleged child abuse should be reported to the proper authorities. All district employees are encouraged, and employees who constitute mandatory reporters pursuant to state law are required, to report alleged incidents of child abuse that they become aware of within the scope of their professional duties.

When an employee who is a mandatory reporter suspects that a student is the victim of abuse, the employee shall make an oral report of the suspected child abuse to the Iowa Department of Human Services within 24 hours of becoming aware of the abusive incident. If the employee believes the child is in immediate danger, the local law enforcement agency shall also be notified. Within forty-eight (48) hours of an oral report, the employee shall file a written report with the Iowa Department of Human Services.

The district shall arrange for employees who are mandatory reporters to complete a two-hour training course relating to the identification and reporting of child abuse within six months of initial employment, unless the employee submits evidence that he/she has completed the required course within the previous three years. This course must be retaken at least every three years.

It is also the policy of the district that all employees are required to report to the level one investigator any suspected cases of physical or sexual abuse of students by district personnel.

Annual Notice—Use of Video Cameras on School Buses (Board Policy #702.11)

The Monticello Community School District Board of Directors has authorized the use of video cameras on school district transportation. The video cameras will be used to monitor student behavior to maintain order on school transportation to promote and maintain a safe environment. Students and parents are hereby notified that the content of video recordings may be used in a student disciplinary proceeding. The content of video recordings may be confidential student records and, if so, will be retained with other student records. Video recordings will only be retained if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration. Parents may request to view video recordings of their child if the video recordings are used in a disciplinary proceeding involving their child.

COMMUNITY CONNECTION

Future Ready Starts Now

Our children look to us for ideas on what their future will look like. To best prepare children and adolescents for their adult life, small steps now will make a big difference. Here's a brief summary of what our district is doing to aid students' career development and what you can do as a parent to prepare your child.

School

From elementary through high school, students engage in self-awareness and self-management activities, career and post-secondary training exploration to consider what may best fit their needs and interests. Our district's Career Readiness Team recently met to discuss successes from this year and plan for next. The main goal for next year is to increase parent communication so more is to come! Recently, Carmen Stenger, High School Counselor, presented to the Iowa College Aid board about Monticello High School's Course to College programming.

Home

Elementary: Are you wondering how to start career conversations with your young children? This article gives ideas on where to begin.

Middle School: Helping students prepare for a successful transition to high school can create a strong foundation for post-secondary training.

High School: Sign up for this timely email communication about preparing students for career and college success.

We hope you and your family have a fun and healthy summer with a few career conversations peppered in. Next school year we look forward to helping your child learn more about themselves and what future path is best for them. As always, we appreciate your partnership!
