Hello everyone,

I would like to congratulate all of our seniors and wish them the best as they move into the last month of their high school career. We are currently finalizing plans for graduation which will be held on the football field at 2pm, May 29. In the event of inclement weather, we will first delay, if appropriate, given the weather conditions and then move the event to the gym as a last option. Let's hope the temperature is 75 and we have a sunny graduation day. I would love to send the class of 2022 off with a wonderful program and a beautiful day.

If you are a parent of a senior, congratulations to you too! It is a lot of hard work to get to this point. Helping with homework, concerts, sports, school play, speech, drama (not the good kind) - this week my friends are so important and next week getting left out of the sleepover, skinned knees, learning how to ride a bike, birthday parties, learning how to drive a car, dating, breaking up for the first time, PROM, 4H, boy scouts/girl scouts/campfire girls, getting a job, balancing their time, getting good grades, taking Kirkwood classes, selecting a college, financial aid, etc....the list could go on and on. WOW it is a lot of work being a parent, but when they walk across that stage, it is emotional and AWESOME! I hope you feel that sense of pride when you see them get that diploma. They have earned it and so have you!

Let's not forget all of our other students! Just a quick reminder that we do have four school days to make up for everyone, except seniors. That means the last day of school is June 3rd. As I mentioned in the last newsletter, please talk to your students about finishing the year as strong as they started.

If you have a student in K-8 that is behind in reading or math, based on our benchmark testing data, we will be contacting you about enrolling them in our "August Academy". This will be the second year we have hosted the "August Academy" and it will be a kick start program that takes place the first two weeks of August. Our goal of this program is to create a small personalized classroom setting with only 5-10 students in each classroom and reinforce reading and math concepts so our students hit the ground running when we begin school on August 23. We are also offering credit recovery options for our high school students in June. This is also the second year for our high school credit recovery program. Both of these programs have been successful and we look forward to another successful summer for our students that need it.

As always, if you have any questions please feel free to send me an email or give me a call at any time. Thank you for your continued support of the Monticello Community School District.

Sincerely,

Brian Jaeger, Superintendent

*The **MISSION** of the Monticello Community Schools, a district striving for educational excellence, is to prepare students through challenging experiences, to be caring, productive, creative citizens, who will be life-long learners.*

UPCOMING EVENTS

DAY OF CARING

Monticello Day of Caring Community Clean Up Day is scheduled for Friday, May 13 from 12:30 to 3:00 pm. Monticello High School's National Honor Society and the Student Council encourages you to clean up your yard and the community! The entire student body will be around Monticello that day cleaning up our community! If you would like help cleaning, call the High School at 319-465-3000 and ask for Mrs. Schockemoehl, or email kayla.schockemoehl@monticello.k12.ia.us with an address and how many helpers you need!

The 5-8th grade bands will be performing in the High School auditorium on May 9 at 7:00pm. Come listen to our final performance of the school year!

Attention 4th grade parents! In April and May, Mrs. Ellis and Mr. Garringer will be visiting with 4th grade classrooms at Sacred Heart and Carpenter to begin the process of recruiting members for next year's 5th grade band. There will be a scheduled "video/demonstration day" for each class, musical aptitude quiz, and "instrument matching" time for individuals. It's a great opportunity for students to learn about band, and all students will get to participate regardless if they are planning to join band or not. It's a great time to start discussions at home about the possibility of joining our band family next fall! If you have questions at any time, please contact Mrs. Ellis at elen.ellis@monticello.k12.ia.us

June 3 is the last day of school! Seniors last day is May 25! Enjoy your summer vacation!

IMPORTANT INFO

PTO NEWS...The PTO has some super fun events coming up! Our walkathon is Monday, May 2 with a rain date of May 10 and the PTO Funday is June 3. Thank you to all the volunteers for these events and all other events throughout the year. Please join us for our final meeting this year on Monday, May 16 at 7pm in the Carpenter library.

FRIDAY FOLDERS

Friday Folders is on our website and is a great place to check for upcoming events (*for all grade levels*) and activities or items that used to be sent home in your child's folder. Please contact Judy Hayen to post items in our Friday Folder at judy.hayen@monticello.k12.ia.us. Check it out!

Reminder to register for Kindergarten next year!

2022-23 Kindergarten Registration - Parents, if you have a child that is 5 by September 15, 2022, please register them by using the following link: <https://www.monticello.k12.ia.us/shannon-elementary/shannon-downloads/>. You can register by mail or electronically.

If you have any questions please call Sandy Hinrichs at 319-465-3000, option 5, or email at sandy.hinrichs@monticello.k12.ia.us

TAP STUDENTS: If your student works with Angie Kurt-Sconsa, the transition coordinator, watch for information about our TAP Summer Camp. It will run weekdays from June 9-22 and we will be exploring a variety of careers. Sign-up letters will be emailed. You can also email Mrs. Sconsa for more information: angie.sconsa@monticello.k12.ia.us.

Parents of next year's Seniors:

Summer is a great time to take senior portraits!

Senior and baby pictures for the yearbook are due **before winter break of senior year**. Plan to take photos over the summer and have one thing crossed off the senior to-do list! A free option is available for a yearbook photo on Halverson's school picture day in the fall also. Guidelines are listed below:

GUIDELINES FOR SENIOR PHOTOS FOR YEARBOOK

- head and shoulders only
- vertical format
- clothing should conform to school dress code
- no inappropriate poses
- no other people, animals, objects/props in photograph
- no sunglasses
- color or B/W are acceptable
- submit digitally or write name on back if submitting a hard copy.
- must be received by deadline (before winter break of senior year)

As the temperatures start to get warmer, (or we hope they get warmer!) please encourage your students to bring a water bottle to school with them so they can stay hydrated.

Just a reminder, if you have any outstanding fees or a negative lunch account, please have them paid soon. Checks can be mailed to your school, dropped off, or you can pay online: <https://monticello.revtrak.net/> or by calling the district office at 319- 465-3000, option 1. We accept credit, debit, or e-check when you pay online or over the phone. Our fiscal year ends June 30, 2022. Thank you!

PARENTS! PARENTS! PARENTS!

It is vital that the school district has current and updated information on students. Please remember to log into your PowerSchool account and make sure everything is current, including your cell phone #'s, home phone #'s, email addresses, mailing address, emergency contacts, etc. This is very important, especially for emergency situations. If you need assistance, please feel free to call Morgan Murray-Zimmerman at 319-465-3000.

COMMUNITY CONNECTION

How to Avoid the Summer Slide

For the past several decades, researchers have documented a phenomenon that they call Summer Slide. The theory is that over the summer break, students may lose some of what they've learned during the school year. Researchers have suggested a number of simple ways in which students can keep their brains active during the summer months:

- Weekly visits to the library. Often, libraries offer free summer activities and librarians are always willing to suggest books.
- Workbooks. Have some workbooks available for down time—waiting for swim lessons or batting practice, on a long car ride, or when you hear those dreaded words “I’m bored”.
- Educational media. Find some educational apps, games or shows.
- Field trips. Do research on vacation destinations, show them the route and teach some geography.
- Family connections. If you have an opportunity to slow down and engage with kids, this is a great time to teach new skills and complete activities together—gardening, cooking, home repairs, building projects, etc.
- Summer school or tutoring. Struggling students can get a lot of help from these programs to enrich and accelerate learning.
- Encourage writing. Letters, emails, journal entries, poems for the fridge—any writing is a great way to practice grammar skills, learn new vocabulary and practice developing logical structure.
- Stay active. A healthy body promotes a healthy mind.

NOTICE OF NONDISCRIMINATION—Students, parents, employees, and others doing business with or performing services for the Monticello Community School District are hereby notified that the District does not discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age, sexual orientation, gender identity, or genetic information (for employment) in any of its education programs, activities, or employment opportunities, pursuant to Title IX of the Education Amendments of 1972, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and other applicable state and federal laws. This prohibition on discrimination applies to admission and employment. The District has adopted grievance procedures for processing and resolving formal and informal Title IX sex discrimination and sexual harassment complaints and other discrimination complaints.
