

WYOMING AREA NEWS

A service of the Wyoming Lions Club

You don't have to be a Wyoming resident to get the newsletter. Anyone can sign up at wyonews@netins.net. Submit items to this same address.

We need your stories, ideas, birthdays, anniversaries, honors, accomplishments. We'll help you write or rewrite. We don't have a reporting staff to gather the information, so you are our reporters. If news is sent by mail or delivered to the city hall collection point, the name and phone number of the contact person must be included. This is required so contact can be made to clarify or certify some part of the information that was submitted. If you have news to submit please do so by 10 a.m. on the second and fourth Tuesday of each month. Thirty words or less. Please feel free to make a copy of this newsletter to share with your friends or neighbors who do not have email.

Help is needed by Wyoming Legion Post 259 with Avenue of Flags. If you would like to be a part of the Memorial Day observance, help is needed to move the large flags from the Memorial Hall, place them at the cemetery, and then take them down again later in the day. Work will start at 5:30 am at the Memorial Hall, then move to the cemetery by 6:00 am for set up. Retiring of the flags will begin at 4:00 p.m. at the cemetery. There is no formal service this year, so this is a good opportunity to be a part of Memorial Day.

On Friday, the 26th, the Wyoming Pioneers 4-H Club and the Midland FFA group will be putting out the small grave marker flags for individual veterans.

Highway 64 project – 5 inches of asphalt has been milled off and reapplied with 4-foot extensions. Work has begun at Monmouth on the 2 inch second or intermittent layer of new asphalt. Approximately 2 miles of the second layer are done. When that is complete another 2-inch top coat of new asphalt will be applied to complete the project.

Highway 136 project - As the detour signs have been posted for about a month and little has been done on the City of Oxford Junction project, the DOT has come to an agreement with the contractor that the signs will be covered until work begins and only uncovered while work is in process. It was reported that some work was to resume on the 26th.

New Highway Signs – The DOT will be replacing all traffic signs on Highway 64 this summer from Anamosa to Sabula.
